3M DI-NOC™ Whiteboard & Blackboard

Writing and Video Projection

April 2019

3M DI-NOC™ Whiteboard & Blackboard

Transforming a simple wall surface, a dividing panel, a metal or glazed wall into a blackboard or a projection screen is now possible thanks to 3M Whiteboard & Blackboard.

Range of self-adhesive finishes specifically created for the world of Video projection and Blackboard rewritable with liquid chalk, chalks or water-based markers.

Extremely flexible, innovative and prestigious to furnish meeting rooms of offices, schools, kindergartens and universities, shops, shopping centers.

Black or white boards: for all needs.
